Corporate Opportunities

Sponsor an *Emerging Leaders* Event

Our *Emerging Leaders* is a group of young professionals (<40) who are interested in networking, socializing, and raising awareness and funds for BHCHP. Your company can be the sponsor of an event, with website and social media recognition as well as the opportunity to send a speaker from your company to the event.

Nominate an “Emerging Leader”

Nominate an employee at your company who is an emerging leader in their field and is committed to making a difference in the lives of Boston’s homeless men, women and children. We are currently accepting applications for Board Members and Ambassadors.

Host a book party or purchase copies for holiday gifts

Our founding physician, Dr. Jim O’Connell recently published a book called Stories from the Shadows. It recounts his 30 year history of working with the most vulnerable men, women and children on the streets of Boston. Host a talk and book signing with Dr. O’Connell at your office or consider purchasing books for clients or employees as holiday gifts.

Lunch & Learn

A representative from BHCHP will come to your office to give a brief presentation on the history of BHCHP, the work we are doing in the Greater Boston community and ways you can help and get involved. Lunch & Learns are a great way for your employees to learn more about our mission without needing to take a lot of time out of the day—we’ll come to you!

Sponsor a table at our *Medicine That Matters* Gala

Our *Medicine That Matters* Gala is the biggest fundraising event of the year and an inspirational evening where we honor those in the community who are champions of our work. Please consider purchased tickets or a table and joining us for this event.

Sponsor Monthly Bingo

Our Barbara McInnis House is a 104-bed respite program for homeless men and women who are recovering from a variety of ailments or illnesses. They are too sick to go back to shelter or living on the streets, so they come to recover and heal. Sponsor a monthly Bingo game for these patients to help keep them engaged and bring some fun to their day. We will use your gift to purchase prizes for the games and announce your support to the patients. We also invite you to join us to play Bingo with the patients!

Host a Goods Drive

Our staff hands out hundreds of items of clothing to patients every week. You can help us keep our patients warm and dry by hosting a goods drive at your office. New socks or underwear, hats, mittens, jackets or boots are all critically important, especially this time of year.
